

In today's world, connections matter more than ever.

Together we can make the "new normal" more seamless.

MiCloud Connect Services **FREE** until 2021

Offer ends June 30, 2020

To alleviate some financial pressures during these uncertain times, Mitel is offering our cloud calling, conferencing, collaboration and contact center solution free until 2021.

MiCloud Connect is a cloud communications solution that delivers productivity gains and reduced costs on a single, seamless and secure platform:

- Fixed, low-cost subscription service
- Stay connected and productive no matter your location
- Collaboration tools that bring teams together with chat, conferencing, SMS and more
- Integrated contact center solution streamlines customer and employee interactions
- Scalable to grow as your business grows
- Simple anywhere, anytime management

Mitel unconditionally reserves the right to alter, amend, or cancel this program at any time at its sole discretion. In the case of any dispute with respect to the Program, Mitel's decision is final. Net New Cloud Customer is defined as 1) A new customer who has not done business with Mitel before 2) An existing on-site customer who has not purchased Mitel cloud products before. Offer valid with standard pricing and cannot be combined with any other promotion. This program may not be used in conjunction with Additional Discount Incentives (ADIs), Special Pricing Authorizations (SPAs), or with any other Mitel price promotion(s), with the exception of specific other promotion(s) approved by Mitel as noted in this promotion bulletin or other promotion bulletin. Only eligible product purchases made during the qualifying period (promotion start date and end date) will qualify for inclusion in the promotion. Promotion benefits are for new MiCloud Connect and MiCloud Connect Contact Center service plans. 60-month contract required. Customer will be responsible for paying all applicable usage, taxes and fees, as well as any add-ons specified in the Statement of Work such as hardware, application and implementation costs. First billing will start on January 1, 2021.
