

Ignite - Enabling Softphone for Remote Workers

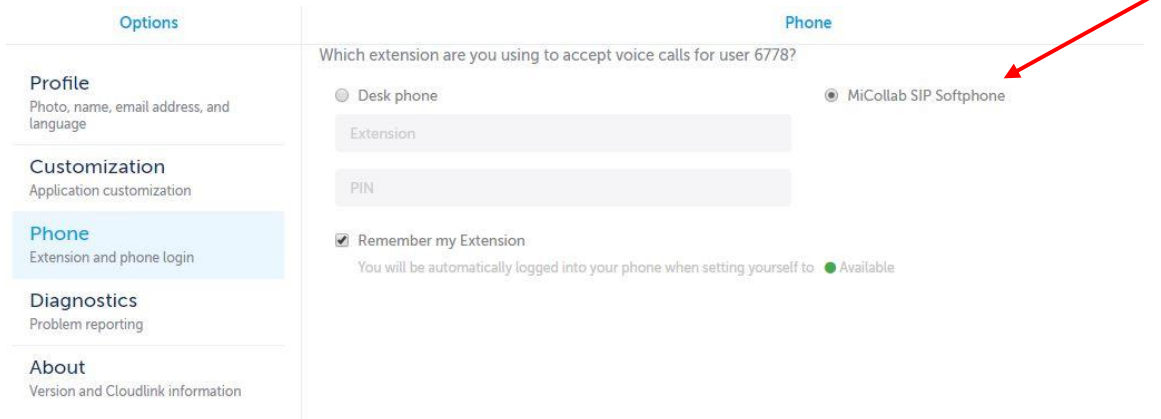

1. Log Into Your Web Ignite
2. Select Options

3. Select Phone

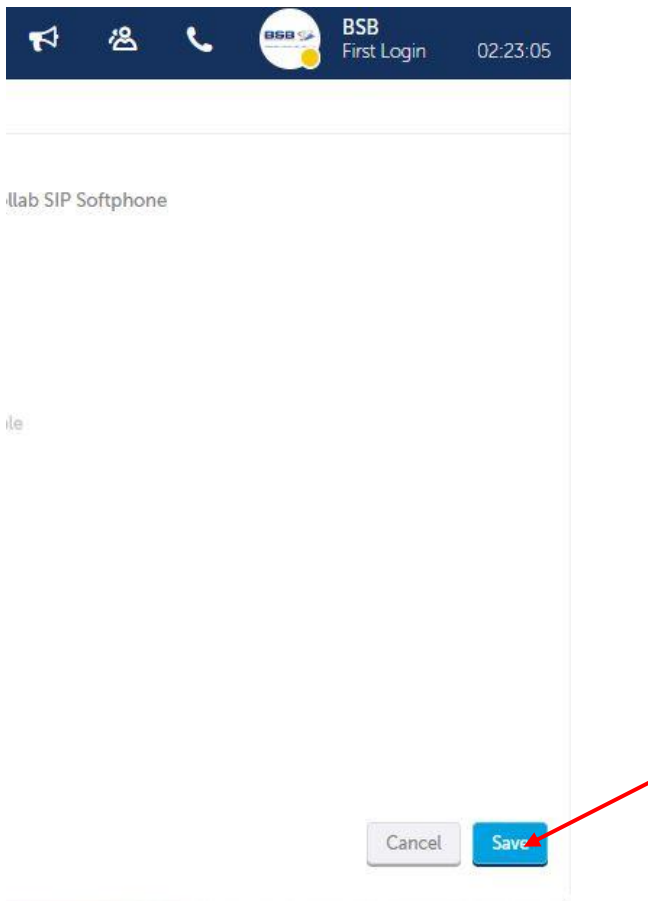

4. Click MiCollab SIP Softphone

The screenshot shows a user interface with two main sections: 'Options' on the left and 'Phone' on the right. The 'Options' section includes links for Profile, Customization, Phone (highlighted), Diagnostics, and About. The 'Phone' section contains a question: 'Which extension are you using to accept voice calls for user 6778?'. Below this question are two radio buttons: 'Desk phone' and 'MiCollab SIP Softphone'. The 'MiCollab SIP Softphone' option is selected, and a red arrow points to it. There are also input fields for 'Extension' and 'PIN', and a checked checkbox for 'Remember my Extension'.

5. Click Save on the bottom right

The screenshot shows the bottom portion of the configuration page. At the top, there is a dark blue header bar with icons for a megaphone, a person, a phone, and the BSB logo. To the right of the logo, it says 'BSB First Login' and '02:23:05'. Below the header, the text 'MiCollab SIP Softphone' is visible. At the bottom of the page, there are two buttons: a grey 'Cancel' button and a blue 'Save' button. A red arrow points to the 'Save' button.
